Viehmärkte. Bamberg, 6. Jan. Zum heutigen Viehmarkt betrug der Zutrieb 63 Stück Großvieh und 100 Stück Kleinvieh. Bei Anwesenheit der besten deutschen württembergischen Exportfirmen entwickelte sich alsbald ein sehr flottes Geschäft und die Qualität der zuzubietenden Ochsen befriedigte allgemein. Es wurden auch bedeutende Kaufschlüsse gemacht und die Preise für den Lokalmarkt in Leipzig und umher entsprechend hohe Preise in beiden Gattungen angelegt. Kühe wurden von den bekannten Exportfirmen angekauft und der Zutrieb ist mehr dafür als zur Nachschube geeignet. Viehmarkt sehr theuer.

Berliner Börse am 11. Januar.

(Fernsprechiendert der Saale-Ztg.) Von der Fondsbörse. Auf die heute erfolgte Herabsetzung des Zinssfußes der Reichsbank um ein ganzes Prozent, herbeigeführt durch den günstigen Status der Bank, fernher auf die Steigerung der Kredit-Aktion setzte die Börse für Bank-Aktion sehr fest ein. Die Besserung in Diskont-Kommandit wurde mit der Steigerung der Argentinier in Verbindung gebracht; Deutsche Bank und Handelsgesellschaft auf Meinungskurs besser. Die Eisenbahnaktien verkehrten in geteilter Tendenz, höher lagen die schweizerischen Bahnen, Warschau-Wiener, Prinz Henry-Bahn, Duxer und Lombarden, schwächer die russischen, Dortmunder und Magdeburger. In Hütten- und Bergwerksaktien war schleppendes Geschäft bei abbreckelnden Kursen. Dynamit-Trust-Campagne auf hamburger Käufe höher und gefragt. Norddeutscher Lloyd gedrückt. Kassenwerthe ruhig. Der Fondsmarkt bei unveränderten Kursen gut behauptet, technische Anlagen gut umgesetzt und fest. Russen stetig, Noten

fest auf angeblich günstigen russischen Saatensatz. Gegen Schluss Montanwerke rückgängig, heimische Eisenbahn besser, Mittelbanken fest. Von der Getreidebörse. Anfänglich hatten einige Käufer sich festgesetzt, einzelne auch etwas höheren Forderungen für Getreide festgesetzt, durch stärkeres Angebot auf entfernte Termine ist später die Stimmung merklich besser geworden und der Markt erheblich verflaut. Auf Januar geht äusserst wenig, die Januarnotierungen für Roggen und Hafer lauten jedoch auf Widerstand. Rüböl war wieder flau, die Preise stellten sich nennend merklich niedriger. Spiritus ist bei schwachem Handel kaum zurückgegangen.
