Literis KREBSIANIS. MDCXCVII.

Ad L. B.

**C**um anno superiori, Dispositiones N. T.,  
necessitate quadam compulsus, in lu-  
cem publicam emitterem, non putavi  
fore, ut aliorum librorum V. T. Disposi-  
tiones tam brevi illas insequerentur. Sed præter  
spem accidit, ut labor iste, valde adhuc imperfe-  
ctus, non quamplurimis solum probaretur; sed  
& viri in Academiis, celeberrimi, quorum non-  
nullos habui Præceptores, suasores mihi existe-  
rent, ut libros quoque V. T. eadem methodo di-  
spositos, ederem. Horum voluntati, cum non  
mihi, sed aliis scribam, morem gerendum esse  
dixi; ideoque, quæ in usum paucorum antea  
consignaveram, revidere atque emendare cœ-  
pi, daturus operam, ut cum Deo & die (si qui-  
dem ratio officii, quod nunc gero, permiserit)  
V. T. libri omnes, Dispositionibus memoriali-  
bus, *Germanicæ B. Lutberi Versioni accommoda-  
tis*, inclusi prodeant. Ordinem tamen hujus  
laboris mei arbitrii esse volo, & cum superiori  
anno a parte Scripturæ posteriore fecerim ini-  
tium, jam Dispositiones librorum Apocrypho-  
rum cum cultoribus Bibliorum communicare  
volui; quibus proximè Prophetici succedent,  
donec ordine retrogrado a fine ad initium  
pervenero. Interim L. B. valeat, & his  
qualibuscunque dispositionibus  
perfruatur.
