

Epistola ad Lignumtracht
fulda zu Halle Jan. 1835.

Serenis. atque Celsissimis

Dominis,

DN. JOHANNI GEORGIO,

DN. AUGUSTO,

DN. CHRISTIANO,

DN. MAURITIO,

Saxon. Juliae Cliviae ac Montium,
DUCIBUS:

D.

JOHANNIS GEORGI

S. R. I. Electoris Septemviri,

PATRIS PATRIAE,

Summae ac maximae spei filiis:

PRINCIPIBUS JUVENTUTIS.

Ollite jo pressæ, quas Mars quatit improbus, Artes,
Et lætum festa cingite fronde caput.
Ad veteres iterum licet aspirare coronas,
Amissum repetet gloria vestra decus.
Siderei Juvenes, magnæ stirps incluta Rutæ,
Accedunt nostros jam subeuntq; lares.
O quanta Albenti crescit reverentia Monti!
Pieridas nostras gaudia quanta manent!
Non aliter primo rumpente crepuscula Sole
Ridet, & immenso lumine mundus ovat.
At vos ô prælustre genus, spes maxima secli,
Huc niveo faustos alite ferte pedes.
At quondam immensis orbem peragrate triumphis:
Ad vestra Oceânus sceptrâ vel ipse tremat.
Interea placidam Musis debete juventam,
Et latè Aönium depopulate nemus.
Quicquid habet sacra Atthis opum, Sapientia quicquid
Romula, id in vestros confluat omne sinus.
Ipsa etiam ut cunctos Aganippe indullerit amnes,
Non tamen ad vestram sit satis una sitim.

SERENISS. CELSITUD. GLORIÆQ. V.
Principes Maximi,

Perpetuò devotus,
Augustus Buchnerus.

22

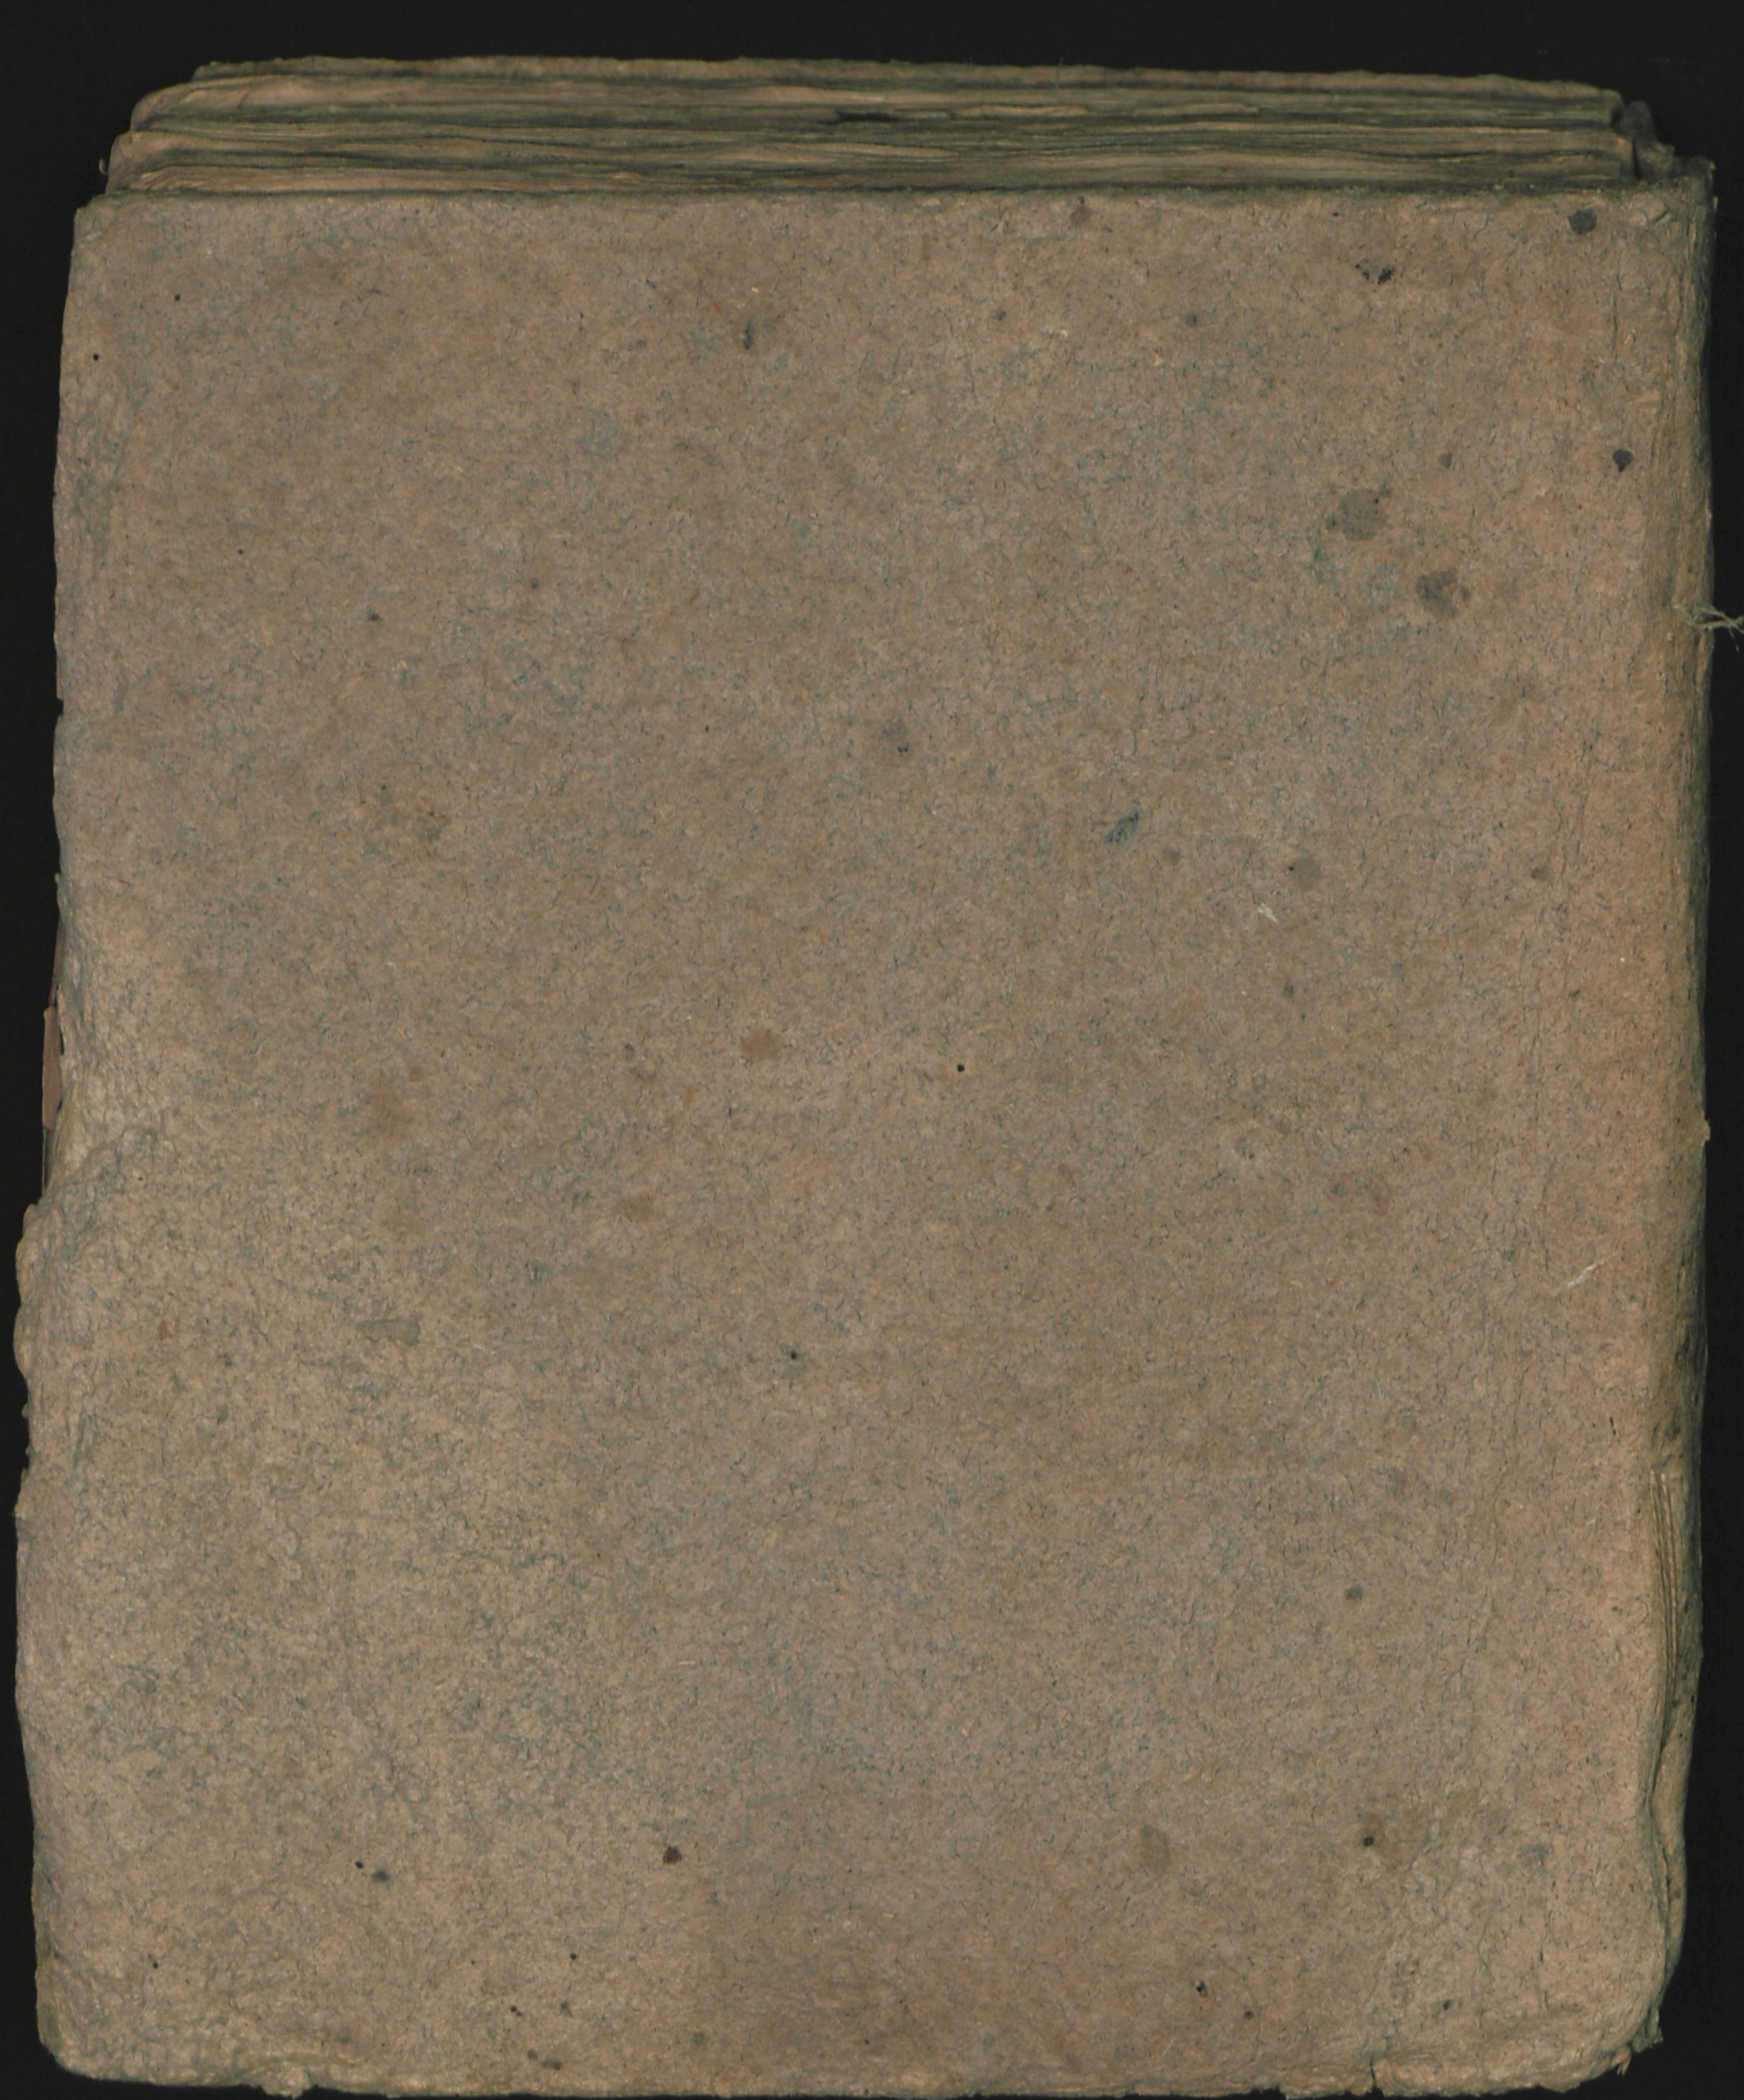

A vertical strip of a manuscript page, likely from a historical text. The page is heavily faded and stained, with faint, illegible text visible. Several circular diagrams or stamps are present, some containing internal markings. The strip is oriented vertically, showing a portion of the original page's layout.
