125.

Daphnen Leucoream.

quâ

Pro-Rectore Magnifico

Dno. JOHANNE MEISNERO,

SS. Theol. Doct. & Prof. Publ. Alumn. Electoral. Ephoro Graviſſimo,

Spectabilis Collegii Philosophici Decanus,

ET ACAD. SENIOR

Dns. M. AUGUSTUS BUCHNERUS,

Eloq. & Poëſeos Profeſſor Publ.

PEREXIMIUM ATQUE CLARISSIMUM VIRUM

Dnum. ELIAM CONRADUM, Dresdâ Misnicum,

ſolenniter ornabat

XIII. Octob. M DC LIX.

Gratulabundi

Decantant, ſemperq; virenti Commendant

ſeculo

Conterranei.

NEmpe per Syrteis, iter, æſtuoſas,
Sæpè carpendum; nebuloſa mundi
Sæpè pars corpus, gelidusq; mentem,
Jupiter urget,
Donec ad ſacras penetramus arces,
Hic ubi ſplendet Patareus Augur,
Et Meduſæis, labium, Camæna,
Proluit undis.
Otio nemo Sophiæ beatos
Percipit fructus: Honor è labore
Naſcitur, primùm licet ipſa gignat
Tædia radix.
Sed tamen flagrans ſuperat cupido,
Si quid occurrit rigidi; nec unquam
Flos, caret ſpinis, Paphiæ, aut inani,
Cynthius, umbrâ.
Omne rimatur Sophiæ dicatum
Pectus; ut latum peragravit orbem,
Flexibus miris ſuper alta lætum
Sidera fertur.
Tum nec obſcuri, fugiunt, meatus
Cælitum; ruptis, Sophiæ, tenebris
Mandat æternæ, decorata ſertis
Nomina, Famæ.
Terra, Muſæum rapuit, Phalera;
Nomen at doctæ celebrant Athenæ;
Et Linus Muſæ memori ſuperſtes
Vivit in urnâ.

Quis Stagiritæ perimet ſuperbo,
Traditum, Templo, Decus? Ecce Phœbi,
Tranſeat quodvis; viret interire
Neſcia Daphne!
Sic ubi tritum ſatis eſt viarum,
Sic ubi functus ſatis eſt labore,
Nunc jugum CONRADUS adit bicorne,
Tactus honore.
Quô novem Phœbus Columen Sororum.
Mactat illuſtres Sophiâ Virorum
Vertices; lambunt meritò ſequaces,
Tempora, Lauri.
Sic juvat ſacram coluiſſe Cyrrham!
Leucoris, quicquid natat in labellis,
Prome, CONRADO, nova nam meretur
Carmina Daphne.
En fatigatus minimè labore
In ſinu tandem SOPHIÆ quieſcit,
Imbibit felix tenero, refuſum,
Pectore, Nectar.
Jamq; rellinqvunt Helicona Nymphæ,
Leucorin ſcandunt, feriente plectro,
Vota CONRADUS capit, atq; honoro,
Jubila, plauſu:
Euge, viciſti! Tibi nunc trophæum
Figitur. Majus Tibi nunc brabium
Spondet, occulto, velut arbor, ævo,
Fama futura!
