## COMMENSALES.

Ostræ Camœnæ quomodo prædicens,  
PEISKERE, Temet, quò tua sedula  
Industria emanet laborque,  
Quà patet ambitus orbis ampli?

Nam ferbuit pectus tenus hac tuum  
Totum decoris artibus, & ferè  
Exæstuavit mens honesta  
Palladii decoris calore.

Nunc ergo frontem LEUCORIS INCLUTA  
Dignam coronâ condecorat tuam,  
Qui strenuus sacrarum in arvis  
Pieridum vigilexitisti.

Vadas capessens debita, quæ parat  
Hâc luce Apollo, præmia, & annulum  
Aptare fvescas Tute posthac  
Aureolum digitis brabéum.

Vadas benignô sidere, Lauream  
Jam jam paratam nectere crinibus,  
PEISKERE, concedas, tui quam  
Ingenii meruere vires.

Hinc nos honores conspicuos Tibi  
Congratulantes ex animo piis  
Votis precamur, quò perennes  
Sint, patriæque Tibique prosint.

Macte hōc gradu, sic laus tua jugiter  
Imposterum, ceu florida floruit,  
Floredit, illam nec tacebunt  
Agmina proxima posterorum.

WITTEBERGÆ, Typis Johannis Haken.
