COMMENSALES

D. XIII. Octobris ANN. M. DC. LIX.

SUnt nuper viſæ Parnaſſia gaudia Muſæ
Concipere & quendam celebrare per ora virorum:
Salve, ERATO canit, ô Muſarum Nate, capeſſes
Digna labore tuo, ſtipendia clara capeſſes.
Huic ſvavi modulans ſuccedit voce Thalia,
Muſarum paviſſe juvat ſic nectare mentem,
Sic SOPHIES calcanda via eſt, ſcandendaque ſumma
Culmina Virtutis, ſic famæ ad templa volandum:
Edidit inde ſuas facunda Minerva loquelas:
Agricola in curvo terram cum verſat aratro
Semina mandat humo, meſſemq; expectat opimam,
Tum poſt complentur multo laxa horrea grano.
Natus adeſt noſter coluit qui rura virentis
PARNASSI, qui multa tulit, ſudavit & alſit,
Huic quoq; Muſarum donum tribuenda corolla eſt;
Ergo age, Apollo Pater, tua ſi tua pectora tangit
Ardor Muſarum, Laurum concede Merenti.
Florida Daphneis cingantur tempora ſertis,
Sponſus erit SOPHIÆ, qui nomina clara Magiſtri
Accipiet, SOPHIES vult amplexarier ulnas.
