Paris, 13. Juni. Die Budgetcommission legte den für die Fortführung beim Vatikan verlangten Credit ab. Die Deputiertenkammer genehmigte in zweiter Lesung den Gesetzentwurf, nach welchem die Beschäftigung wieder zulässig sein soll. Am Senat erwiderte der Commissionspräsident Freytag auf eine Anfrage Varenity's betreffs Ägyptens, die ägyptischen Truppen seien in Alexandria zwar langsam angekommen, hätten aber ihre Pflicht getan. Es seien mehrere Verhaftungen eingetroffen. Er hoffe die Ruhe werde fortauern; unter den Unruhen zum Opfer Gefallenen, deren Zahl auf 33 angegeben werde, befände sich ein Franzose. Die Ereignisse seien durch die religiösen Feiern nicht vorhanden. Trotzdem habe die französische Regierung alle Maßregeln getroffen, welche zum Schutze ihrer Staatsangehörigen erforderlich sind.

Genf, 13. Juni. Bei den hiesigen Wahlen sind die liberalen Candidaten mit einer Majorität von nur 63 Stimmen gewählt worden. Brüssel, 13. Juni. Berlin, 13. Juni. Fürst Bismarck hat nunmehr, nachdem er der Rath des Hofraths Friedrich eingeholt, für dieses Jahr von der Abreise nach Kissingen endgültig Abstand genommen und wird sich zu seiner Erholung der Ruhe des ländlichen Aufenthalts in Varzin hingeben. - Geh. Rath Engel ist auf seiner Villa in Oberhain bei Dresden erkrankt. Die Krankheit ist auf die Gemüthsbelegungen der letzten Zeit zurückzuführen. Besonders schwer vermisst er die unangenehme Krankheit gemüthete Mann seine langjährige amtliche Wirksamkeit.

Regen Sonnabend fand, wie die Zeitungen melden, ein längerer Minister Rath unter Vorsitz des Fürsten Bismarck statt. Was es heißt, hätte die Zeitungen gerne erfahren, wenn sie nicht durch den Geh. Rath Engel über die Personalverhältnisse der Ministerien. Auch über das einzige Thema von Ministerveränderungen wurden keine Verhältnisse in den Ministern; die Spitze derselben steht sich auf fallenderweise nach einer Seite, die man bis jetzt eher als bevorzugt zu betrachten pflegt.

Der Abg. Grillenberger (Nürnberg) hat, unterstützt von 92 Abg. der liberalen Parteien, nachstehende Interpellation angebracht:

„Bezieht es im Auftrage der Reichsregierung oder der königlich preussischen Regierung, daß die socialdemokratischen Mitglieder des Reichstages sowie mit ihnen verbundene Personen durch geheime Agenten der Berliner Polizei in der ausbrüchlichen Weise auf Schritt und Tritt verfolgt und überwacht werden?“

„Und was beabsichtigt die Reichsregierung zu thun, um die Würde des Reichstages und die betreffenden Mitglieder des Reichstages gegen die Behandlung zu schützen?“

„Abgesehen von den betreffenden Abgeordneten nehmen an der Abgabe des Reichstagesgebäudes lebhaften Antheil. Sie haben ihren Antheil an den Anstrengungen der geheimen Agenten an ihren Klausuren bezeugt, ohne sich jedoch durchsetzen zu können, diese lästigen Personen, die in den verschiedensten Verkleidungen (als Arbeiter, Dienstmänner etc.) in den Büren des Socialdemokraten aufsuchen, loswerden zu können. Was mit dieser Verhinderung der socialdemokratischen Abgeordneten beabsichtigt ist, ist es unermülich, wie der Zweck der Anwesenheit der geheimen Polizei-Agenten auf der Nationalen-Exposition des Reichstages.“
